PPP Welcome Back Event in Atlanta Recap

We were thrilled with the results of our signature event in Atlanta this January – our first in-person event since the pandemic. PPP Retail Member attendance was strong. Members enjoyed a great breakfast buffet, a dozen giveaways, and spending time on our show floor writing orders! Many of our exhibitors were new Vendor Partners; our Members were delighted to learn about – and order from – so many new brands. They also were pleased to write orders with tried-and-true favorites. There was a real buzz on the show floor! Participating Vendor Partners had many successes to share, including opening new accounts and increasing their sales for the entire market through our event. We enjoyed working with IMC's skilled team: Cindy Henry, Sarah Schuetz and Marsha Dupree in producing this event, and greatly appreciate the participation of our Members and Vendor Partners.

We look forward to partnering with IMC and our Members and Vendors to host an exciting event next January.
