Safe + Fast Magnetic Hanging System

Clik-Click™—It's Quick!

- Simple solutions for any ceiling height
- Quick takedown and sign changeout
- User friendly tools designed by industry professionals

The Clik-Click™ system uses strong neodymium magnets along with extension poles as opposed to hooks and ladders. This technology allows drapery, signage, and other displays to be hung fast and easy. With feet on the floor, the risk of falling is eliminated. By using the convenient patented LoopLine, prep time is a cinch (cut to length and loop to item to be hung). Ceiling suspension is now as easy as 1. 2. 3!
